

The Gottman Institute

THE ART AND SCIENCE OF LOVE

Couples Workshop

Make Your RELATIONSHIP Better!

Learn Skills To Elevate Your Love To A Happier, Healthier Place

Concepts based on research spanning 40+ years with 3,000+ couples. Find out how to:

- Calmly approach & resolve perpetual conflicts,
- Prevent emotional “flooding” during arguments,
- Identify underlying issues & harmful behaviors,
- Avoid drifting apart,
- Move past mundane sex & spice up intimacy and
- Experience the joy of knowing you are respected and honored.

Information Used By Marriage Counselors

Now, you can know what the pros know. Many of the concepts are taught in courses to certify therapists.
